CATALOG EXERCISE

1. **Using Basic Search in the University of Hawai‘i’s (UH’s) Voyager catalog:**
   Do an author search for Anne Perez Hattori.
   What is her latest book?
   When was it published?
   What year did she produce her dissertation of the same title?
   As a student at the UH, Dr. Hattori wrote a prize winning paper about the Guam Congress walkout. Is that paper listed as being in the UH library?

2. **Use an author search for Dr. Hattori’s book:**

Library	Has book	Does not have
Library of Congress		
University of Auckland		

   Can you find her dissertation?

Library
Library of Congress
University of Auckland

   Can you find the paper on the Guam Congress?

Library
Library of Congress
University of Auckland

3. **Use a browse subject search for the Library of Congress heading:**
   Ethnology-Samoan Islands

UH	how many items found?
Library of Congress	how many items found?
University of Auckland	how many items found?

4. **Someone tells you that he or she heard that Dan Peacock wrote a report on Palauan students studying on Guam in the early days of trusteeship. Try to find the report in the UH catalog, then check to see if the Library of Congress or the University of Auckland has the report.**
